On Saturday, September 16, 2017, the Friends of Saxonville invite you to join us at Discover Saxonville – A Stroll through the Village, a celebration of the sights and activity in the Village of Saxonville. This family-friendly Discover Saxonville event begins with check-in at any of 3 locations:

Pinefield Shopping Center (corner Water Street and Nicholas Road)

Saxonville Mills (on Concord Street)

The Athenaeum (Corner of Concord Street and Watson Place)

Participants will pick up a “Saxonville Passport” and a schedule of the day’s activities including bingo, folk band music, karate demonstration, student singing performances and tours of the Mills or Saxonville’s McGrath Square. Several local businesses will be set up at various locations supporting the event and joining in the fun. Prizes will be given for visiting Saxonville businesses along the way.

Admission is free!

Check-in starts at 10:00 am. The event runs until 2:00 pm.

Each year, the Friends of Saxonville invite the public to a Discover Saxonville event to celebrate one or more aspects of Saxonville, a unique village within the Town of Framingham. The purpose is to educate the public and have residents and visitors discover one of the interesting features of the village.
